Editorial

Dear Readers,

We wish to announce the publication of Volume 5, Issue 2, November 2021. In this issue, papers are included from interdisciplinary areas such as economics, education, science, psychology, and political science.

It has been our great academic contribution to publish volume 5 issue 2 in November. Publishing an issue consistently is a never ending process and it can consume enormous amount of time. The success of publication lies within the reviewer's selflessness contribution of time, intelligent, knowledge that is put into the reviewing process. The JIS is always thankful to the reviewers. Moreover, the editorials have the equal contribution to managing the editorial process and until the publication is done. It is a continuous cycle of editorial process, which does not have the ending, for this contribution, the JIS is also grateful to the entire editorial members.

Our next issue will be published in May 2022 for which we invite researchers, managers, leaders, scientists, students and others for paper submission. The call for paper submission is also announced in the journal's announcement portal http://journalofinterdisciplinarysciences.com/announcement/

The Journal of Interdisciplinary Sciences (JIS) is an online open access journal, which offers free submissions, free publication and open access to download its published research paper from the journal's website http://journalofinterdisciplinarysciences.com/

It is recommended that all author(s) submitting their manuscript to JIS are advised to read the author guidelines from the journal website
